- Conduct normal healthcare operations such as quality assessments and physician certifications.

I acknowledge that I have received your ***Notice of Privacy Practices*** containing a more complete description of the uses and disclosures of my health information. Cancellation Policy

It has always been our contention that your time is as valuable as ours. Our philosophy on scheduling is that during your appointment, you deserve our undivided attention. That is why maintaining appointments on time and honoring the schedule is so important for everyone. We get it. Things happen. Flat tires, sick children and family emergencies can affect your schedule. Unforeseen circumstances and emergencies can affect our schedule too. No doubt, all of these factors have to be taken into account and we will most definitely do just that. Keeping those considerations in mind we are striving to preserve appointment times that honor both our patients and our practice. By doing so, we can be more responsible to our patients, our energy and to our overhead. This in turn reduces expenses that then keep fees from rising unnecessarily. For these reasons, we will apply a \$65 fee if a cancellation is made without 48-hour work day notice or if an appointment is no-showed. No doubt, circumstances arise that may prohibit that notice. Every reasonable consideration will be given. We look forward to your effort and understanding and we appreciate the confidence you place in our team.

Financial Policy & Dental Insurance

Each individual's treatment needs are unique. Because of the level of care we provide, we do not participate in plans where an insurance company dictates our fees. Before treatment is initiated, the estimated expense will be reviewed. Once a fee has been determined, our staff will consult with you regarding financial arrangements. We accept cash, checks, Visa, MasterCard, American Express and Discover cards.

Although we are not a party to the contractual arrangement with your insurance company, we do want to help you receive the maximum reimbursement to which you are entitled. As a courtesy to you we will help you process your insurance claims in order for you to receive this maximum benefit. We will also gladly provide dental x-rays and a written diagnostic report should your insurance company have any questions about the services provided.

At all times, you can be confident that we will always provide you with appropriate services without regard to the limitations imposed by your insurance coverage. To do otherwise would violate our contract with you – a contract we feel morally obliged to honor.

I understand that Dr. Fling and Dr. Cord are not an “in-network” provider and that I am responsible for any expenses beyond what insurance may pay. After 100 days (unless arrangements have been approved and signed) I understand that any unpaid balance to Dr. Fling and Dr. Cord will be turned over to American Profit Recovery.
